

Extra Services Offered by Health Plans

In Georgia Families, you will get all the health services that you get now as a member of **Medicaid** or **PeachCare for Kids** — plus more. This chart shows the *extra* services that each health plan offers.

Because each plan offers the same *basic* health services, but different *extra* services, you might want to choose a plan because it has extra services that you like. This chart can help you choose.

After you choose a health plan, complete the Health Plan Enrollment Form and:

- Mail it in the return envelope, or
- Fax it to Georgia Families at 1-866-4U2ENROLL (1-866-482-3676), or
- Enroll on our website at www.Georgia-families.com
